The Invisible World

The invisible world is the realm of spirits, demons, and other supernatural beings. It is a world that is hidden from ordinary sight, but it is nonetheless real and powerful. Occult philosophers believe that the invisible world interacts with our world in a variety of ways, and that it can have a profound impact on our lives.

Ritual

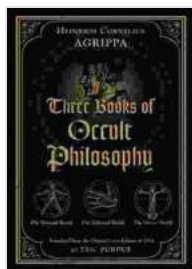

Ritual is an important part of occult philosophy. Rituals are used to mark important occasions, to invoke spirits, and to perform other magical

operations. Occult rituals can be simple or complex, and they can be performed alone or in a group.
