Frequently Asked Questions

When is the best time to start GMAT preparation?

It's recommended to start preparing for the GMAT 3-6 months in advance. However, the optimal time depends on your individual goals and starting level.

How many hours per week should I study for the GMAT?

Aim for 15-20 hours of study per week. Consistency is key, so break down your study sessions into smaller blocks.

Is it necessary to enroll in a GMAT prep course?

While prep courses can provide additional support, they're not essential. With the right study materials and strategies, you can prepare effectively on

your own.
