In *Midwife Calling: Memoirs of an Urban Midwife*, Dr. Laura Kaplan shares her experiences as a midwife in New York City, providing an intimate look into the world of midwifery, the challenges and rewards of working with diverse clients, and the profound impact of her work on her own life.

Kaplan's memoir is a beautifully written and deeply moving account of her journey as a midwife. She writes with honesty and compassion about the challenges she faced, including working with clients from all walks of life, from the affluent to the homeless, and navigating the complex healthcare system. She also shares the joys of her work, including the privilege of being present at the birth of new life and witnessing the strength and resilience of her clients.

Midwife Calling is more than just a memoir; it is also a passionate call for a more humane and equitable healthcare system. Kaplan argues that

midwives play a vital role in providing comprehensive and compassionate care to women and families, and she calls for greater support for midwifery education and practice.

Midwife Calling is an essential read for anyone interested in midwifery, childbirth, or women's health. It is a powerful and inspiring book that will change the way you think about birth and the role of midwives in our society.

About the Author

Dr. Laura Kaplan is a certified nurse-midwife and the founder of the Center for Urban Midwifery in New York City. She has over 25 years of experience providing care to women and families, and she is a passionate advocate for midwifery and reproductive health. Kaplan is the author of several books, including *Midwife Calling: Memoirs of an Urban Midwife*.

Reviews

"Midwife Calling is a beautifully written and deeply moving memoir. Kaplan's passion for her work shines through on every page, and her stories of the women she has cared for are both heartbreaking and inspiring. This book is a must-read for anyone interested in midwifery, childbirth, or women's health." - Publishers Weekly

"Kaplan's memoir is a powerful and inspiring call for a more humane and equitable healthcare system. She writes with honesty and compassion about the challenges of working as a midwife in an urban setting, and she makes a strong case for the vital role that midwives play in providing care to women and families." - The New York Times

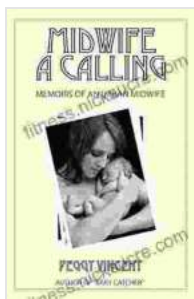

"Midwife Calling is a must-read for anyone who wants to understand the challenges and rewards of midwifery. Kaplan's memoir is a powerful and moving account of her journey as a midwife, and it is sure to change the way you think about birth and the role of midwives in our society." - The Guardian
